

Serviced Office Space in China

22/F

Wuhan 430074

Located in the heart of the bustling Jiedaokou Central Business District in Wuhan, you will benefit from the great transport and amazing nearby facilities. Just a short walk away is the Jiedokou Station, giving you access to Metro line 2 so you can travel quickly and easily all over the city. Further to this it is just a 30 minute drive to Wuhan Railway Station and only 45 minutes to Wuhan Tianhe International Airport, perfect for national and international travelling professionals. The surrounding area is filled with amazing amenities such as upmarket shopping malls, hotels, banks and many more. Further to this, the area has several well-known universities and provincial government offices, as well as many global companies having headquarters here.

This professional and modern business centre is situated on the 22nd Floor of a mixed-use commercial complex, which provides intelligent workspace as well as trendy retail shops. The business centre itself offers fully furnished and well equipped office space and executive private suites, all of which is available on flexible terms. There are also meeting rooms and a business lounge available for your use, perfect for all your needs from relaxed chats over a coffee to formal pitches to clients.
